2 If you are a UK Taxpayer, under the Government's Gift Aid scheme OneKind can claim the tax you have already paid on your donation. This means that your donation can increase in value by at least 25% at no extra cost to you.

Please the box below if you would like OneKind to claim the tax on your donation.

I am a UK taxpayer*. Please treat all donations I make or have made to OneKind since 1 March 2010 and all donations I make hereafter as Gift Aid donations.

*It doesn't matter what rate of tax you pay as long as you pay an amount of income and/or capital gains tax at least equal to the basic rate tax we claim on your donations in that tax year (6 April one year to 5 April the next). Please remember to inform us of any changes in your tax status, or name or address.

3 To qualify for Gift Aid you must be a UK taxpayer. If you do not presently pay income tax or capital gains tax, please tick this box and return the form to OneKind. This will ensure you are not asked to complete a Gift Aid Declaration in the future, should you choose to support us again.

4 Please return your completed Gift Aid Declaration Form to:
